**MEMO ENDORSED**

Re: Case No. 23-cv-09702-KPF, Miles Rijper-Greenidge v. McGuire, et al

I am writing the Court as per the agreement made during the telephonic conference on May 22, 2025 and the Court order filed on the same date, published in Document 36. I would like to inform the Court that I will proceed *pro se*. Unfortunately I was unable to find time to look for an attorney even though I had scheduled some time, due to unforeseen events that required urgent personal attention. I would like to thank Judge Failla for extending me this time, it gave me the opportunity put in order some of my business and personal affairs in order, including dealing with the effects of the constantly changing tariff regime.
